INVITATION TO BID

The Town of Merrimack, Hillsborough County, New Hampshire is requesting bid proposals for the following projects:

Merrimack Bridge Replacement Projects McGaw Bridge
Road over Baboosic Brook & Bean Road over Baboosic

Brook

**NHDOT Bridge Nos. 116/137,
072/155 NHDOT Project Nos.
13923, 29736**

Project No. 13923, McGaw Bridge Road consists of the replacement of the existing jack arch bridge with a cast-in-place concrete bridge deck supported by steel girders founded on cast-in-place concrete spread footing abutments. The new bridge will have a clear span of 40 feet with an out-to-out width of approximately 37 feet. The project includes approximately 400 feet of roadway reconstruction and incidental work.

Project No. 29736, Bean Road consists of the replacement of an existing elliptical metal plate arch bridge with a cast-in-place concrete bridge deck supported by steel girders founded on steel H-piles with integral abutments. The new bridge will have a clear span of 67 feet with an out-to-out width of approximately 34 feet. The project includes approximately 725 feet of roadway and incidental work.

The Town will award the Contract to only one responsible Bidder, based on the lowest responsive sum of the bid prices for both projects. Contractors must have a current registration with the Office of The Secretary of State to do business in New Hampshire and must be on the NHDOT's list of prequalified contractors in the bridge classification.

Sealed proposals must be received in hand on or before 2:00 p.m., November 5, 2015 at the Merrimack Town Hall, 6 Baboosic Lake Road, Merrimack, NH 03054, at which time the bids will be opened and read aloud at the above address. The exterior of all envelopes containing bid proposals shall be clearly marked "Bid for Merrimack Bridge Replacement Projects, NHDOT Projects 13923 & 29736."
